

Women of '69, Unboxed

A FILM BY PETER BARTON
& LIZ ROMAN GALLESE '69 • JANE STARTZ '69

A group of women, college classmates, who were electrified and pummeled by the turbulent surf of the 60s, look back, then ahead, as they turn 65, ruminate on their heartaches and triumphs, and evaluate the "dowry" they'll leave for future generations.

If their parents were the Greatest Generation, they were the Loudest. They changed the world, at least in their fevered dreams, and the world changed them.
